child's health and The laws of heredity are inflexhappiness. The laws of heredity are inflex-lible. The mother's weakness will surely show in some way in her child. A mother can make her child's hie happy and success-ful, or miserable and a failure. She can do it by making and keeping herself perfectly strong and healthy during the period of ges-tation. She can do this by taking Doctor Pierce's Pavorite Prescription. It is a most wooderful cure for all forms of female weak-ness and disease, and perhaps its greatest. wooderful cure for all forms of female weak-ness and disease, and perhaps its greatest usefulness is in preparing for the trials and dangers of child both. It is a strengthen-ing, purifying tonic. It acts directly on the organs distinctly feminine, drives out all im-purities, promotes regularity and restores hearty, vigorous health. It will positively cure any form of female weakness or disease. It is the preparation of a requier medical practitioner, whose great success as a spe-cialist in the treatment of diseases of women has made him femous all over the world. has made him famous all over the works. Dr. Pierce is now, and has been for thirty years, chief consulting physician in the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y.
